Completion Instructions for TRADOC Form 350-18-2-R-E

C-1. TRADOC Form 350-18-2-R-E, TASS unit Pre-execution Checklist (PEC), is a pre-enrollment requirement for all TASS courses/institutions except OCS, CCC, CGSOC, and the resident sergeant major (SGM) course. The PEC will be used to verify routine prerequisites such as line scores, physical capacity or stamina, upper extremities, lower extremities, hearing, ears, psychiatric (PULHES), and prerequisite training. The unit commander can further certify the completion of prerequisite testing/evaluation (i.e., typing test). Documentary evidence of security clearance, physical profile and other non-routine prerequisites are required in addition to the pre-execution checklist. The unit commander's signature on the PEC will suffice as certification that the soldier meets routine course prerequisites (as stated above) IAW all requirements of the course as listed in DA Pam 351-4, and the ATRRS prerequisite screen.

C-2. The soldier's unit commander will ensure all soldiers, including walk-ons, enrolled in institutional training meet course prerequisites (Parts II and III). Soldiers reporting for training must have in their possession a completed and properly signed TRADOC Form 350-18-2-R-E, PEC. The purpose of the PEC is to assist the unit in preparing soldiers for school attendance (Part I), while providing one single document, with appropriate attachments, for the training institutions (Parts II and III). This checklist will be completed by appropriate unit personnel and verified and signed by the unit commander or the commander's designated signature authority (must be in writing and accompany the PEC). Soldiers reporting for training without a completed Pre-execution checklist, signed by the soldier and unit commander, will be given 72 hours from the report date to provide the checklist with appropriate attachments. Soldiers attending IDT courses will be given until Saturday of the second multiple unit training assembly (MUTA)-4. After this time, soldiers will be returned to their units. Students requiring medical waivers will arrive with the approved waiver in-hand. Medical waivers for training will be processed through the unit chain-of-command and by the proponent for final approval, prior to the student's arrival for training. Commander, AR-PERSCOM will ensure IMA/IRR students are eligible to attend the identified course.

C-3. Army personnel must meet the prerequisites for the course stated in the Army Formal School Catalog (DA Pam 351-4) unless a waiver is obtained. In addition, Army personnel must also satisfy applicable provisions of AR 611 series, AR/NGR 350-1, ATRRS, and other pertinent Army policies and regulations.
